

Town of Mendon Highway Dept

Superintendent Update

For February 13, 2023 Town Board Meeting

Town Business

- The crew has been working on removing dead Ash trees in the right-of-way
- I met with Reidman about Mendon Green. They wanted to change the backfill procedure on underground utilities. I told them they need to follow the Design Criteria. I was also asked to be present during the Proof Rolling. (Note: Appendix C in Design Criteria needs to be reviewed).
- The crew is working on replacing Mendon Highway sign in front of building
- I met with the Mendon Business Association on Thursday, February 8

County Business

- The Parks Department has asked us to schedule paving of the pickleball courts. The courts should be able to be used by players at the end of June.
- We have received Mendon's tentative summer work for 2023

State Business

- I had a conference call at Region 4 with Albany about 21-22 Snow & Ice payment. They said the "check is in the mail".
- The Lane Mile certification has been amended by the state
- Clarificationno salt money is being held up due to the Lane Mile certification. The Lane Mile certification is for Consolidated Highway Improvements Program (CHIPS)
