Hello Joe

I hope this message finds you well. I wanted to inform you that I will be combining all your accounts to provide you with a total price, with all billing synchronized for January. This means that for this year, the billing for your 167 North Main location will be discounted for January and February, resulting in a reduction of \$48.00 in order to align all accounts on the same billing cycle.

Here are the details for each location:

- MENDON HIGHWAY DEPT at [101 Semmel Road](#) will have an annual billing on January 1, 2026, with a cost of \$396.00.
- MENDON PUBLIC LIBRARY at 22 North Main Street will have an annual billing on January 1, 2026, with a cost of \$599.88.
- MENDON TOWN OF at 167 North Main Street will have an annual billing on March 1, 2026, with a cost of \$288.00.

If you have any questions or need further clarification, please feel free to reach out. Thank you for your attention to this matter.

So your total cost for the 1/1/2026-12/31/2026 will be 1236.88

And your cost for 1/1/2027-12/31/2027 and after will increase by that 48.00 so that total will be 1284.88 as long as there are no rate increases.
