

# NYS Climate Connection Summit

June 10-11, 2026 | Delta Hotels Utica  
200 Genesee St, Utica, NY 13502

## About the Event

DEC's Office of Climate Change is hosting the NYS Climate Connection Summit, in partnership with the NYS Climate Smart Communities program. Local government representatives engaged or interested in climate action planning are invited to convene with peers from across the state.

## Benefits and Opportunities for Participants

- 1 Connect & Collaborate
- 2 Learn & Share
- 3 Engage & Explore

## Who Should Attend?

- Sustainability coordinators and environmental planners
- Municipal administrators and department heads
- Regional planning organization staff
- Climate Smart Community (CSC) Task Force members and climate action committee members
- Community development professionals

## Register Today!

Registration for the NYS Climate Connection Summit is now open! There will be no registration fee for the event, but space is limited. Due to limited capacity for this event, DEC is currently accepting 2 attendees from each local government.
