

Town of Mendon

Preserving the Past...

Protecting the Present...

Promoting the Future

September 9th, 2026

Dear Town Board Members,

I am requesting the Town Board's approval to release the **\$7,500.00** currently being held in **Escrow Account TA60** for Delores Crumb.

The funds were deposited as a letter of credit to secure the required landscape buffer improvements for Lot #1 (#40) Topspin Drive, specifically the installation of 18 evergreen trees.

The completed landscaping has been inspected by Corey Gates, who has determined that the required work has been completed satisfactorily and has approved the release of the funds.

Please place this request before the Town Board for consideration and approval.

Thank you.

Respectfully,

Brooke Buckland

Secretary to Planning & Zoning
