

Intermunicipal Agreement – Hometown Heros Banner Program
Recognition of “Local - Active Military Service Members”

The Village of Honeoye Falls, Village of Lima and Towns of Mendon and Lima, NY currently participate in a “Home Town Heros” banner program to recognize and honor local Village and Town residents who are actively serving in a branch of the United States military.

While this program was once run by volunteers and a not-for-profit group, that committee/group has disbanded and is no longer active.

The goal to continue the program with a simple agreement that follows:

- The Village of Honeoye Falls currently runs the program which consists of simply taking requests of family members of “active” military service members, processing the application, ordering the banner and providing said banner to each Village or Town representative to work with its DPW/Highway team to affix the banner to a local telephone pole in its community.
- Each community will have copies of the application to provide to interested parties. The application and any required items/information will be sent or dropped off to the Village of Honeoye Falls (5 East Street, Honeoye Falls, NY 14472) or can be emailed to (Village@villageofhoneoyefalls.gov)
- The banner will be ordered using the specifications for each community already in place.
- Once delivered the banner will be provided to the proper contact within the **community for placement.**
- The banners are to be free to the family of the soldier and will be provided to the family upon request once the military member has terminated her/his service.
- The cost of each banner will be invoiced to the respective municipality and paid to the Village of Honeoye Falls (a copy of the invoice from the printer will be provided). The Village of Honeoye Falls will pre-pay the invoices once the banner has been received. The costs of these banners are based upon size, but for Lima and Mendon the costs are currently \$92.50 each and for Honeoye Falls the cost is \$111.75 each.

This agreement will be automatically renewed at the beginning of each (calendar year) unless a municipality wishes to terminate its involvement.
